

Linemarking Professionals Pty Ltd has been established since 2004. Our premises are located at Salisbury and we service the Queensland and Northern New South Wales.

Our company is owner operated and we employ the best experienced team available, some of our team have over 30 years combined experience in the linemarking industry.

We provide all linemarking materials and products in a range of colours. All works are carried out to the relative Australian standard with reference to RTA & MUCD requirements.

We are a company that constantly strives for excellence and best practise utilising the best products and techniques for Line Marking. We aim to excel in our level of workmanship.

We carry all insurances required including a \$20,000,000.00 Public Liability policy. Our company maintains an occupational health & safety program in line with Work Cover, which includes employees, trained and certified to work on roadways and job sites.

We specialize in road linemarking, sports courts (grass & concrete), production, warehousing, multi & single level car parks, hospitals, commercial premises. We can also supply and fit various types of raised pavement markers, speed bumps, signage, & non-slip surfaces.

Linemarking Professionals can accommodate any linemarking you may require, no job too small, too fiddly or too big.
